Heavy duty quality, robust construction, good aesthetic style, safety finish is easy to maintain and keep clean. Suitable for any harsh hard working environment where high standard of hygiene is essential.

There are no exposed bolts, brackets or components, available with seamless upstands to rear and both ends. Designed for kitchens, food service areas, hospitals, laboratories, butchers, abattoirs, bakery, dairy, fishmonger, food processing, veterinary services and any other area where stringent standards are required.

The quality of these tables is certified worldwide by:

- NSF** (National Sanitary Foundation)
- ANSI** (American National Standards Institute)
- SSC** (Standards Council of Canada)

ACE STAINLESS STEEL TABLES

SSUT preparation table is available in four lengths and one width with seamless upstands to rear and both ends.

All tables are dispatched in easy to handle and store cartons ready for on site assembly.
