**WASH HAND BASIN** - foot operated tap with swivel gooseneck spout - **304 stainless steel**

Heavy duty quality, robust construction, good aesthetic style, safety finish is easy to maintain and keep clean. Suitable for any harsh hard working environment where high standard of hygiene is essential.

There are no exposed bolts, brackets or components. Designed for kitchens, food service areas, hospitals, laboratories, butchers, abattoirs, bakery, dairy, fishmonger, food processing, veterinary services and any other area where stringent standards are required.

The quality of these wash hand basins is certified worldwide by:

- NSF** (National Sanitary Foundation)
- ANSI** (American National Standards Institute)
- SSC** (Standards Council of Canada)

Foot operated wash hand basins with splashback are seamless construction complete with tap, goose neck spout, 38 mm drain basket strainer and foot pedals complete with flexible water hoses.

Foot operated wash hand basin is dispatched in easy to handle and store carton ready for on site installation
