DUNNAGE/DRAINAGE RACKS - perforated shelves - **430 stainless steel**

ACE STAINLESS STEEL RACKS

SSRD324-2-C DRAINAGE RACK
2 ADJUSTABLE SHELVES

SSRD324-1-C DUNNAGE RACK
SINGLE ADJUSTABLE SHELF

Heavy duty quality, robust construction, good aesthetic style, safety finish is easy to maintain and keep clean. Suitable for any harsh hard working environment where high standard of hygiene is essential.

There are no exposed bolts, brackets or components. The racks have perforated shelves (17.4 mm diameter perforations) for good air circulation. Our quality dunnage and drainage racks provide flexible storage solutions for use in dry or wet environments, commercial, institutional or domestic.

The quality of these racks is certified worldwide by:
NSF (National Sanitary Foundation)
ANSI (American National Standards Institute)
SSC (Standards Council of Canada)

SSRD dunnage and drainage racks are available in two lengths and one width, single or double tier. Racks are complete with 5" (127 mm) polyurethane castors as standard.

All racks are dispatched in easy to handle and store cartons ready for on site assembly
